BEYOND THE INTRODUCTION

The support behind the match

Programs included with LTR Guarantee memberships since February 2026

01 One-on-one coaching

Guidance around communication, expectations and dating decisions.

02 Coaching Circles

Shared learning, practical insights and encouragement.

03 Momentum Debriefs

Reflecting on dates, understanding obstacles and refining the approach.

Qualitative relationship observations

Our team has observed more first meetups moving forward, better continuity between dates, and more clients reaching third dates. These observations are not quantified proof of program impact.

HOW TO READ THIS REPORT

Introduction and first-date growth: Q3 2026 compared with Q3 2025.

Percentage-point changes (pp): changes since the preceding report.

Optima: reported response and mutual acceptance rates.

Program growth rates are not additive; actual volumes are not shown.

Metrics are internal and should be reconciled before public release.
